REFTEL badly garbled in transmission and was coded and typed only at 11:30 A.M. local time October 23. DEPTTEL containing text message still not deciphered due again to servicing.

In absence of Prime Minister and Tun Razak, I presented to Acting Prime Minister Tan Siew Sin at 3:00 P.M. today text as received by USIS plus President's statements September 4 and 13 joint resolution of Congress, letter to President UN Security Council, and draft Security Council resolution. During my oral presentation, I covered points raised DEPTTEL 705. Tan appeared sympathetic, understanding, did not question extent of provocation* of necessity for US actions. Said situation would be discussed soonest with Malayan defense chiefs. Asked be kept fully informed on all developments.
